

# National Labs

Join the BIAS National  
Communities of  
Stakeholders and Shape  
the Future at National Labs!

## Are you ready to make an impact in the world of AI and the job market?

AI developers, investors,  
policymakers, citizen groups,  
educators, workers – this is your  
chance to shine!

### WHY JOIN?

- Contribute with your insights on AI biases in recruitment and HR practices.
- Collaborate on groundbreaking technology to detect and tackle diversity biases in AI recruitment.
- Participate in capacity building activities and learn awareness strategies for a more inclusive AI landscape.
- Unlock a wealth of resources and receive personalized information about the project activities.

### WHAT TO EXPECT?

- Participate in engaging interviews and surveys to share your expertise.
- Be part of dynamic workshops to co-create innovative solutions.
- Dive deep into capacity building programs with an intersectional perspective.
- Illuminate real-life experiences through ethnographic studies.
- Forge valuable connections with industry leaders through exclusive networking opportunities.

### WHERE?

Experience the power of National Labs in

Estonia

Iceland

Italy
